

spk::Singleton< Window >

spk::Window

```
graph BT; A[spk::Window] --> B[spk::Singleton< Window >];
```

The diagram illustrates an inheritance relationship. At the bottom is a gray rectangular box containing the text 'spk::Window'. Two blue arrows originate from the top of this box and point upwards to the bottom of a white rectangular box at the top containing the text 'spk::Singleton< Window >'. This indicates that 'spk::Window' inherits from 'spk::Singleton< Window >'.
