

spk::WorkerPool

```
classDiagram
    class spk::Worker
    class spk::WorkerPool
    spk::Worker --|> spk::WorkerPool
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'spk::Worker'. A blue arrow points upwards from this box to a gray box labeled 'spk::WorkerPool' at the top. This indicates that 'spk::Worker' inherits from 'spk::WorkerPool'.
